Keep Martin Beautiful is encouraging residents to join thousands of other volunteers in Martin County to help clean local waterways from 8 a.m. to noon Sept. 15.

Volunteers are encouraged to pre-register for a cleanup site with Keep Martin Beautiful to ensure areas most in need are targeted. Call or email 772-781-1222 or info@keepmartinbeautiful.org.

Participants who do not pre-register should meet at Stuart Beach the morning of the cleanup to volunteer. Volunteers will be provided with supplies, as well as a complimentary T-shirt while supplies last.

The cleanup will be followed by a celebration at Flagler Park in downtown Stuart with food, drinks, games and activities.
