

Environmental Service Awards

Each year, Keep Martin Beautiful, a volunteer-based nonprofit organization, hosts an awards ceremony as a way to recognize notable efforts within Martin County that promote environmental stewardship.

While the types of projects and activities vary widely, all nominees are doing something to improve the environment.

More than 30 nominations were submitted this year on behalf of individuals, businesses, nonprofits, and government

agencies.

The nominees and winners will be honored on Feb. 3 at Piper's Landing Yacht & Country Club in Palm City.

For a complete list of past and current winners visit KeepMartinBeautiful.org.

Tickets to attend the Environmental Stewardship Awards are \$75 and may be purchased online [at KeepMartinBeautiful.org](http://atKeepMartinBeautiful.org).
