

International Coastal Cleanup

This year's **International Coastal Cleanup**, which has been coordinated locally for the past 20 years by **Keep Martin Beautiful**, takes place Sept. 17, 8-11 a.m.

With the current state of our waterways, it is important that we do all we can to keep our coastal areas litter- and debris-free. Although groups and individuals are welcome to join the cleanup effort at **Stuart Beach**, **Keep Martin Beautiful** encourages volunteers to sign up in advance to clean the beach or waterway of their choice.

Participants are invited to attend a volunteer appreciation party the day of the cleanup at **Stuart Beach** between 10-11 a.m., which will feature food, drinks and family friendly activities.
