

KEEP MARTIN BEAUTIFUL
KEEP AMERICA BEAUTIFUL AFFILIATE

Adopt-A-Road Program

What is it?

Keep Martin Beautiful's Adopt-A-Road program offers businesses, civic groups, school groups, places of worship, families and individuals the opportunity to adopt a minimum one mile section of roadside for litter reduction.

Why should you Adopt-A-Road?

Adopting a roadway and caring for it allows everyone to take part in improving the beauty of the environment in our community. Additional benefits include:

- Team-building effort for businesses
- Hands-on activity that can be used to teach youth about environmental stewardship
- Creative marketing opportunity for your business or organization

*Join our flock and be a part of
the Adopt-A-Road program!*

How to get involved!

There are FIVE easy steps to adopting a road:

1. Check out the list of [available roads](#)
2. Choose a road and fill out an [application](#)
3. Submit your application to [Keep Martin Beautiful](#)
4. Once your application is approved, you will receive an agreement form to review and sign
5. Once we have your signed agreement and annual fee for adoption of your road, your signs will be ordered and installed and you can begin your cleanup activities.
